

ANDI MATHENY ACTING STUDIOS

PRIVATE COACHING RATES, TIPS AND POLICIES

Thank you for choosing the ***Andi Matheny Acting Studios*** for your coaching, taping and editing needs! Please read the following for updated coaching rates and other important information that you'll need before your coaching session.

With so many actors competing for roles in the southeast, casting directors place great value on both acting performance *and* video quality. We take pride in offering the highest quality possible in all aspects of your video audition. The proof is in the feedback, callbacks and bookings our actors receive. When we coach you - we want to give you all the tools you need and the best possible shot to book that job!

As you may be aware, most casting directors now require all auditions to be sent in HD quality, which demands longer converting time for your video file. Also, separate video files and multiple takes usually require more time. Please take that into consideration when you book a time slot with your coach.

We appreciate your punctuality and we try to keep to our schedule. If you arrive earlier than 5 minutes before your scheduled time, please don't knock as it may interrupt a session already in progress. Instead, please text to announce your arrival.

Your location will be either The Acting Studio, Sunrise or the old Southeast - all locations in St. Petersburg. Please confirm that with your coach when you make the appointment.

Always bring two hard copies of your script and your taping instructions to your coaching session. It's also a good idea to email all the information to your coach before your appointment. If you need a title sheet for your slate with your name, height, etc. please bring that as well.

The more prepared you are, the better your session will go. Be memorized! If we can work on your acting and not your lines, the better your audition will be!

And please do not wear excessive perfume, cologne, aftershave or heavily scented hair products. This is also becoming standard procedure for any audition.

IMPORTANT: It is *your* responsibility to download and save your video files when we send them to you. We must delete all files after sending to free up our storage space.

NEW CANCELLATION POLICY - PLEASE READ! Appointments cancelled less than 2 hours before the scheduled time will be charged 50% of the appointment fee.
